# ***INTRODUCTION***

**Thank you for selecting a Trimax mower! Trimax Mowing Systems is the premier manufacturer of fine grass and light to medium mulching mowers. As part of our commitment to quality and reliability, Trimax Mowing Systems provides to you, at no extra charge, comprehensive warranty coverage for your new Trimax mower.**

Please take a few minutes to read this Warranty Information Guide. It contains all the information you will need to have your Trimax repaired in the unlikely event that a failure should occur. Please record the serial number and the date of purchase of each item in the space provided inside the back cover.

## ***WHAT IS A LIMITED WARRANTY?***

Warranty is a written guarantee by the manufacturer of a product promising to repair or replace parts which have a defect in design, materials or workmanship. Limited means the warranty is for a specified period of time and has certain other restrictions.

## ***WARRANTY LIMITATIONS***

### **COMMISSIONING**

The Trimax dealer is obliged to arrange for the Trimax product to be commissioned by a competent person familiar with the product, its operation and maintenance, who will instruct the purchaser or authorized representative in the operation of the product under actual working conditions and advise that person on its care, maintenance and lubrication. The mower registration must be completed and signed by the purchaser at the time the mower is commissioned and submitted to Trimax Mowing Systems.

### **CUSTOMER RESPONSIBILITY**

In the event a Trimax representative or dealer is not available to assist with commissioning of the Trimax product, the purchaser shall ensure that the product is properly commissioned. It is the customer's responsibility to maintain the mower in accordance with the instructions provided in the Operator's Manual.

Trimax recommends that you keep records and receipts; you may be asked to prove that the maintenance instructions have been followed.

It is also your responsibility to operate the equipment in a safe manner and for the use for which it was designed. If a defect in design, materials or workmanship occurs, it is your responsibility to cease operation until repairs are made. Damage which occurs from continued operation may not be covered by this warranty. You should contact your authorized Trimax dealer or representative immediately so that repairs can be made in a timely manner.

## **LIABILITY**

Under the terms of this warranty, the liability of Trimax Mowing Systems is limited to the:

- a) Repair of the goods or;
- b) Replacement of the goods or the supply of equivalent goods

## ***THE TRIMAX MOWING SYSTEMS WARRANTY***

Trimax Mowing Systems will, through its authorized dealers or representatives, repair or replace any parts which are found to be defective in design, materials or workmanship. The defect must occur during normal use of the product within stated capacities (e.g. HP, PTO speed, transport limitations) and within the warranty period.

The repair or replacement will be at no charge for either the part or the labour to repair or replace that part.

## ***WARRANTY START DATE***

The warranty coverage begins on the date that you take delivery of your Trimax mower. The date should be entered onto the Mower registration form and submitted to Trimax Mowing Systems.

## ***WARRANTY TERMS***

Trimax mowers come with a 12-month standard factory warranty, to obtain an additional 24 months for no extra charge. The mower registration must be completed and submitted via the Trimax Dealer app within 1 month of the delivery date. The warranty term covers all Trimax models including their mechanical components of the mower body, drive, cutting and transport systems including gearboxes, spindles and PTO shafts.

### **WARRANTY CLAIM PROCESS**

#### **FAULT OCCURS**

Note down as much information as possible and take detailed photos.

#### **SUBMIT FIELD ISSUE REPORT**

Submit a Field Issue Report on the Trimax website. Repair work is not to be undertaken without a reply from Trimax.

#### **REPORT RECEIVED**

Trimax will acknowledge receipt of the Field Issue Report by way of email.

#### **APPROVAL TO CONTINUE**

If the issue and machine are deemed eligible for warranty, the contact person will be notified and given instruction on how to proceed. If not eligible, the contact person will be notified and offered support with the issue.

#### **PARTS SENT**

Replacement parts will be sent to Dealer/Customer and will be invoiced.

#### **FAULT REMEDIED**

Upon receipt of new parts, Dealer/Customer may remedy fault. It's recommended additional photographs of fault are taken by repairer to support warranty claim.

### **SUBMIT CLAIM**

If your Field Issue Report has been approved as a Warranty Claim, you will be emailed a link to the Warranty Claim Form. This form can also be found on the Trimax Wesbite. Warranty claims must be complete with all supporting evidence and returned within **30 business days** of failure. A Field Issue Report reference number is required to submit a warranty claim.

### **CLAIM RECEIVED**

Trimax will acknowledge receipt of warranty claim by way of email.

### **CLAIM PROCESSED**

All returned warranty information and/or parts will be inspected by Trimax. The claim will be processed within 30 business days.

### **CLAIM APPROVED/DECLINED**

If warranty claim is approved, Dealer/Customer will be notified and replacement parts credited. If claim is denied, supporting reasons will be provided to the Dealer/Customer.

## **PARTS WARRANTY**

All Trimax Mowing Systems genuine spare parts (excluding consumable, wearing and all parts stated in the Trimax warranty policy above) are covered by a 12-month manufacturer's Parts and Labour guarantee against defects in material, workmanship or design when fitted by a Trimax trained technician, 6-months Part only if fitted by an untrained person.

All warranty claims must be submitted via our online warranty claim system. Proof of purchase will need to be provided with the claim by means of a Trimax original invoice.

**Freight Queries** - Damaged packaging/missing items - In the event a package arrives damaged and has missing or damaged items as a result, a picture must be taken of the unopened package and Trimax informed **within 48 hours** of receiving the delivery.

**Missing or incorrect items** - In the event you have received the incorrect items or are missing some items Trimax must be informed **within 48 hours** of receiving the delivery.
